

CONCEPT OF IS , ARE , AM

IS

We use **is** with **he , she , it , and**
anything that is one in number . We
also use **is** with the name of a person.

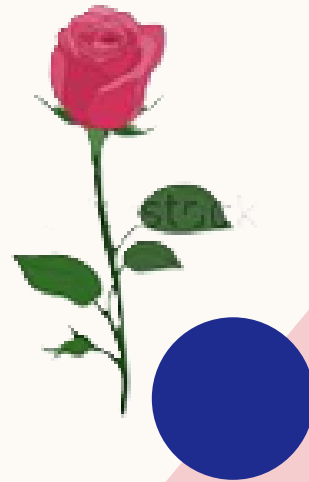

Example:-

He **is** a man

She **is** a baby

It **is** a rose

Shreya **is** a singing

ARE

We use are with you , we , they and anything that is more than one in number .

Example:-

you are my friend

We are students

They are teachers

My friends are playing

AM

We use am with I .

Example:-

I am girl

I am a teacher

Is , are , am -> it's helping verb
